

PRESS RELEASE

FOR IMMEDIATE RELEASE

Xcel Colorado (PSCo) President Robert Kenney in Lively Discussion with Long-time Xcel Watchdog, Leslie Glustrom

Webinar Accessible Online to the Public

Boulder, Colorado (Sept. 15, 2023) — Empower Our Future, a grassroots organization advancing a socially just clean energy economy, announced today that the President of PSCo (Xcel Colorado) will interact with long-time Xcel watchdog Leslie Glustrom in an online webinar that will also include citizen questions.

The back-and-forth will address key issues of interest to the public, including rising energy costs, the pace of transitioning to a full clean energy economy, pollution from carbon, methane, and heavy metals, and Xcel's track record of partnering with the communities it serves.

Citizens are invited to submit questions for the presenters using the form at <https://empowerourfuture.org/submit-your-questions-for-robert-kenney-and-leslie-glustrom-draft>. It will accept submissions until September 15th at the end of the day.

This free webinar will take place:

When: Tuesday, September 19, at 6:00 PM Mountain Time

Where: Online.

or go to the Empower Our Future - Events page: <https://empowerourfuture.org/events/>

This *Empower Hour* webinar is part of a series of public educational events on topics related to climate and energy, presented by Empower Our Future in conjunction with Clean Energy Action. A menu of previous Empower Hours and links to the video recordings are available here: <https://empowerourfuture.org/events/>

About Empower Our Future

Empower Our Future is a coalition of active citizens who hold a vision of a sustainable world and, to that end, share a commitment to bringing 100% clean energy to the community in an electrical system that is more democratic, decentralized, competitive, and equitable than is currently provided by Xcel's monopoly in Colorado. Website and more information here: www.empowerourfuture.org.
